The Association LAG "Puszcza Kozienicka" is a voluntary, self-governing, permanent association of natural and legal persons working for the development of the local community. The legal basis for the functioning of the LAG is to support regional development.

The Association operates under the provisions of the Act of 7 April 1989 Law on Associations (Journal of Laws of 2001 No. 79, item 855, as amended), Act of 7 March 2007 on support for rural development with the participation of the European Agricultural Fund for Rural Development, Council Regulation (EC) No 1698/2005 of 20 September 2005 on support for rural development by the European Agricultural Fund for Rural Development (OJ L 277, 21.10.2005, p.1).

We have developed and implemented the Local Development Strategy under the Rural Development Program for 2014-2020, whose main objective is improving the quality of life in rural areas and promoting the diversification of economic activity, which in turn should lead to sustainable rural development. LAG is an instrument to increase the attractiveness of Kozienice land, improve the quality of life of the inhabitants, and promote the natural and cultural heritage.

The main task of the LAG is to effectively and wisely spend the funds raised so that they are a "flywheel" of many valuable projects and initiatives on our area.

Operation of the LAG is co-financed from the European Union funds in the "Support for local development under the LEADER" program covered by the Rural Development Program 2014-2020.
