Main products // services:

- Support for the development of children and their families

Text (max. 300 words)

Our organization supports the development of children and their families. We strive to improve the conditions for the development of children. We are the inspiration for parents, teachers and of course children. The “Szansa” cooperates with plenty of institutions. We employ about 30 employees, moreover our association can count on many engaged volunteers, who always help with great will.
